Class History

The Medora Senior Class of 1962 thinks that our past experiences and associations have been important enough to leave in the form of a written history for the coming classes of Medora High School.

We began our Freshman year, 1958, with twenty students, but during the year we lost Earl Akemon.

At the beginning of our Sophomore year we had twenty enrolled. During the summer, Clara Belle Guthrie moved, but we gained Marie Mabey to make up for the loss.

We entered our Junior year with nineteen members, after losing Larry Davis during the summer.

As Seniors we have only eighteen in our class, after losing Jim Lester.

We close this history with complete accord and we all agree that our parents, teachers, fellow students, and friends should be given credit for the impressive record our class has made.

Class Will

We the Class of 1962 of Medora High School, being of sound mind, and body, thereby after four strenuous years do hereby make, publish, and declare this as our best and last will, bequeaths, and whatever nature to form heretofore made by us.

To the "conscientious" Juniors we leave the new seats in Mr. Hurley's room.

To the Sophomores, we leave all the debts you get when you're Seniors, and all our fun running around selling ads.

To the Freshman, we leave the ability to chew gum, skip class, and talk in class, and all the mischievous knowledge we acquired in our four years of high school.

I, Wayne Allman, will my height to Steven Weddle.

I, Jim Branaman, will my stiff straight hair to Cecil Brock.

I, John Brewster, will my good disposition and curly hair to Freddy Sturgill.

I, Barbara Burgan, will my ability to go steady for four years to Carol Bennett.

I, Hazel Dean, will my seat in room 2 to Linda Robinson.

I, Tom Dixon, will my ability to be assistant sports editor to Ronnie Zirkle.

I, Rosemary Fountain, will my position in band to Janet Baker.

I, Norma Greathouse, will my ability to be on Mr. Potter's office staff to Judy McKinney.

I, Tom Hamilton, will my ability to get along with Mrs. Fountain to Mona Wright.

I, Betty Hill, will my slimness to Mr. Hurley.

I, Dottie Killion, will my red hair and freckles to Rita Lee.

I, Marie Mabey, will my New Jersey accent to Judy Reynolds.

I, Sharon Nowland, will my job on the Hornet's Nest Staff to anybody who will have it.

I, Harold Persinger, will my back seat in Mr. Hurley's class to William Stanley Hall.

I, Fred Shepard, will my curly hair to Mr. McKain.

I, Harold Snider, will my back seat in Mr. Hurley's class to Judy McKinney.

I, Tom Willcutt, will my place as mechanic on the Hornet's Nest Staff to Travis Phillips.

I, John Woolf, will my ability to make A's to Pat Toon.

Cummins powered earthmovers work on construction of Interstate Highway 65 west of Columbus. Through a progressive research and development program, Cummins continues to maintain a position of leadership in the diesel industry. We encourage members of the 1962 graduating class to inquire about opportunities for challenging positions with our Company.
